Plot to build a 3 Bedroom Villa

Urban land tip of band with approved project for detached house w / 2 floors, t3 inserted in batch of 465m2.

Constructed area of 150 + 21 sq.m,
 Implantation area 97m2.

The framing of the area, with excellent accessibility to Lisbon (either by road or rail) gives this location the possibility of fixing as a first home. But also the proximity to the beaches and the Sierra de Azeitão and Arrábida make this location an excellent option for your home. All this with a landscape framing of mountains and a wide open view to Lisbon. Excellent opportunity!
